

## ABOUT US

The Indiana Society for Public Health Education strives to provide and create an environment in which health education and health promotion professionals can meet, exchange ideas, develop relationships, and explore the latest trends in health education and health promotion.

**Indiana  
Society for  
Public Health  
Education  
(InSOPHE)**

**“Meeting people where they are is a matter of public health. The health and quality of people’s lives depend on it.”**

- Ann K. Shinn, MD, MPH

## AREAS OF FOCUS

### Advocacy

As public health professionals, it is our job to create public health changes in our communities. InSOPHE’s advocacy initiatives include changes in policy and legislature.

### Continuing Education

InSOPHE is affiliated with the National Commission for Health Education Credentialing (NCHEC) to provide continuing education credits for free to members of InSOPHE.

### Networking

Networking is an essential tool and skill for collaborations, partnerships, and professional success. InSOPHE provides opportunities to form professional relationships to members.

## BENEFITS

- Professional development opportunities;
- Access to monthly member newsletter;
- Updates on career opportunities and resources;
- Reduced fees for workshops and conferences;
- Networking events;
- Scholarship opportunities;
- Reduced fees for national SOPHE membership; and
- Continuing education opportunities for CHES®/MCHES®.

## CONTINUING EDUCATION

As a local chapter of the Society for Public Health Education (SOPHE), InSOPHE is designated by the National Commission for Health Education Credentialing (NCHEC) to provide continuing education contact hours (CECHs) for Certified Health Education Specialists (CHES®) and Master Certified Health Education Specialists (MCHES®).

InSOPHE offers CHES®/MCHES® continuing education contact hour opportunities to our members for free and to non-members for a fee.
